Jesus First Others Second Yourself Last

Camp JOY Inc. is a non-profit organization established to construct and maintain a campground facility on 59 acres of land off of Polecat Hollow Rd. on the Moore/ Lincoln County boundary. The facility provides a location for groups to come together and promote the cause of Christ. Camp JOY is an outreach tool, promotes fellowship among the faithful and provides a facility for the annual Sharing Christ With Others Youth Camp, and other youth camps.

For years we had rented a campground, but we saw the need to build our own. In order to complete this, we need your support. We are governed by a board of directors, members of various congregations of the Lord's church in this area. The board meets on a regular basis and is open to those who are sincerely interested in the goals of Camp JOY Inc. The facility is progressing nicely at this time. The Assembly Center/Dining Area has come a long way and is ready for use. Six cabins are now ready, and we are working to improve the camp in other ways also. Last year was a good year and we are looking forward to many more good years.

The physical address of Camp JOY is:
119 Polecat Hollow Rd.
Fayetteville, TN 37334

The first cabin constructed at Camp JOY began to take shape the first week of June 2007. We now have six cabins. The cabins are constructed of logs, 8 courses high. They measure 24' X 48' and can accommodate 20 persons each. Each cabin will cost in excess of \$60,000 (not a finished cost). Cabins will be named by those who provide sponsorship money. Pictured is the Gattis cabin, built in memory of Peggy Gattis.

Jesus First Others Second Yourself Last

We have gotten this far because of God's continued blessings and the hard work of a lot of men committed to this cause. At times it becomes very difficult, but we begin to see the results of our efforts when we see the blessing of the reward of what we are trying to accomplish. And that is training our youth.

We are using Camp JOY now but we still have a long way to go, and we need your help.
